

Early ISD TxConnect Parent Accounts

Early ISD utilizes a grade-reporting and attendance program called TxGradebook. Through TxGradebook's parent portal, TxConnect, you can monitor your child's grades and attendance. **If you would like to participate in the TxConnect program, please carefully read this document, complete the TxConnect Access Form and return the form to your child's campus office.**

Please be aware that this service is governed by the Early ISD Technology Acceptable Use Policy (AUP). Use of the TxConnect service implies that you have read and agree to all terms included in the AUP in addition to the items listed below. *(The EISD AUP can be accessed from the Policies & Resources page on www.earlyisd.net)*

- You should share your account information only with those whom you consider to have a legitimate interest in your child's grade reports and attendance.
- Neither Early ISD nor TxGradebook make any guarantee or warranty, either expressed or implied, as to the accuracy and/or timeliness of the information contained within TxConnect. Information retrieved via the web site should be regarded as non-official and non-binding in nature. Any specific questions, concerns, or information requests related to academic performance or attendance should be directed to campus teachers, administration and/or counselors.
Grades and attendance are current to the last entry of the teacher. Many assignments and projects take considerable time to grade and may not be included in the grade book. Due to unique classroom situations, some classes and/or campuses may only enter grades at the 3- and 6-week reporting periods. Parents are encouraged to contact the teacher with any issues concerning grades or attendance.
- Early ISD will not provide technical support for this program other than the TxConnect user guide available on the Early ISD website (www.earlyisd.net).
- Abuse of this service may result in loss of access privileges. Abuse may include (but is not limited to): any attempt to bypass site security, sharing user account information with unauthorized users, and/or distributing information obtained from this site in such a manner as to detract from Early ISD's reputation and/or interfere with normal operations.

After the TxConnect Access Form has been processed by the campus office, you will be contacted with your TxConnect account information.
