Note**The Darkness to Light: Stewards of Children link will take you directly to a screen where you will be required to create an account. You will need to select Early ISD as your district, select a school (“Early Pri”, “Early ES”, “Early Middle”, or “Early HS”), and list your department. Once logged in, you will click the “Stewards of Children” button on the right side of the screen. You only need to complete the “Stewards of Children” curriculum, none of the other modules. You should not be asked to pay anything. If it does, then you are not in the correct module.
