

TSI Instructions at Ranger College

If you plan on taking Ranger College dual credit courses in the future and you have not taken the TSI or you need to retake a section or sections, please follow these instructions in the order given.

1. Call Ranger College at 641-5726 to make an appointment to test.
2. Go online to rangercollege.edu, click on the Admission & Aid link, then click on the Testing Information link.
3. Scroll down to the Pre-Assessment Activity section. Click on the link to complete the Pre-Assessment Activity. This **MUST** be done **BEFORE** you take your TSI! You will be instructed to provide an email address. Your certificate of completion will be sent to the email address you provided. **Print your certificate of completion and take it with you when you take the TSI test.** (I also advise you take advantage of the resources located under the section entitled “Studying for the TSI” before you take the test!)
4. The cost for taking two or more sections of the TSI is \$30 and is payable to Ranger College at the time you take the test. The cost for taking one section is \$15. **If you have never tested, you need to take all three sections.**
5. You will need to take one form of photo ID on the day of testing. If you do not have a photo ID, please see Mrs. Bearden!
6. Once you have taken the TSI, please bring your results to the EHS office. A copy will be made for your file. Your results page can also be used for attendance purposes. The absence is coded as co-curricular which does not count against you!
