

Early ISD Dyslexia Fall 2021

WELCOME BACK, FAMILIES!

We hope you have all had a great start to the 21-22 school year! Early ISD Dyslexia Services are dedicated to helping students who struggle with reading and reading related concerns. We are trained in two explicit, individualized, multi-sensory programs that aid in normalizing the dyslexia brain. Students identified as having dyslexia attend 5 therapy sessions a week. Teachers tailor their instruction to students' needs by going as slow as they must and as fast as they can.

The 1st Six Weeks flew by, and classes are off to a great start! We are looking forward to a wonderful school year! Please reach out to your child's Dyslexia teacher with any questions or concerns!

LEARNING ALLY

As we prepare for a year of learning, we will utilize a wonderful tool called Learning Ally. This is an audio book app that opens a whole new world of ear reading vs eye reading. learningally.org

Audiobooks can help you become a better reader. They are a powerful tool that improves your comprehension, boosts confidence, saves time and leads to better grades. Learning Ally has a library of over 80,000 titles, both textbook and pleasure reading, which are all recorded in a human voice, and for many, highlight the words as you read along.
